

SIMATIC TDC communications module CP50M1 with 8 MB buffer module up to 1 MPI, up to 2 PROFIBUS DP interfaces

| General information         |   |
|-----------------------------|---|
| Product type designation    | CP50M1  |
| Power loss                  |   |
| Power loss, typ.            | 5 W   |
| Interfaces                  |   |
| Number of RS 485 interfaces | 2   |
| Optical interface           | No  |
| Dimensions                  |   |
| Width                       | 20 mm   |
| Height                      | 233 mm  |
| Depth                       | 160 mm  |
